

AGREEMENT FOR SHARING A SPECIFIC DATA SET

AND / OR

**AGREEMENT TO ENSURE DATA COLLECTED IN A TRIAL
ARE PROVIDED TO THE INFECTIOUS DISEASES INSTITUTE**

AGREEMENT FOR PROVISION OF IDI DATA

I understand the principles of data sharing at the Infectious Diseases Institute.

I propose that the data described below will be transferred to the centre and the individual specified and that research for the purpose also specified in detail below can be conducted on these data.

I guarantee that:-

1. These data will not be passed on in whole or in part to a third party without permission from the Head of Research, IDI
2. No publication of any sort, or public presentation, based on these data will be made without prior permission from the Head of Research, IDI.
3. The relevant Heads of Department and Investigators of the Institute in whose custody the data are informed about this transfer.
4. The data will not be used for any other purpose other than that for which approval was given.
5. The data will be used only once the written approval of the Head of Research, IDI has been obtained.
